Comments

Please find enclosed four (4) samples of **(Colour & Code)** in a D1010 / D2000 / D3000 powder coat to meet AAMA 2603 / 2604 / 2605 specifications for the exterior frame finish and enclosed four (4) samples of **(Colour & Code)** in a D1010 / D2000 / D3000 powder coat to meet AAMA 2603 / 2604 / 2605 specifications for the interior frames finish.

Please note that a metallic color approval has an eight (8) week & Non-Metallic color approval has a three (3) week lead time for painting of material from the date the signed authority is received by this office.

ABOVE LEAD TIMES DO NOT INCLUDE FOR MANUFACTURING!

The powder coating material cannot be ordered for project manufacturing until the approval has been received by Starline. As a company policy, only this signed form acts as authority for Starline to proceed with ordering of powder.

Please note that actual color locations are to be specified on shop drawings.

If approved, please sign the back of the chip, where indicated, and return to this office within
days business days on receipt by

Please note that final stamped shop drawings cannot be provided unless this submittal form is signed as approved and returned.

If you have any questions or concerns regarding this project, at your convenience, please do not hesitate to contact Starline's Contract Manager,

Thank you,

Starline Architectural Windows
